

Half- Day Emergency Response Course

Description

This is a short course in Basic life Support. The aim of the course is to enable all students to deal with cardiac arrest, and how to deal with an unconscious casualty.

Duration

A 3 hour course consisting of practical and theory work.

Syllabus

A range of subjects is covered including:

Arriving at the scene Casualty Assessment Top to toe survey
Recovery position Resuscitation Hygiene control

If your organisation has a specific area of training that is not included, or you require a more in- depth session, then we can accommodate you by providing training in that particular subject.

Certification

This course is competency based and a certificate of attendance will be issued on completion. This qualification is valid for 1 year.

Numbers

A maximum of 12 students can be accommodated on this course.

Location

We are able to deliver this course on your site, subject to adequate room space reducing your costs in respect of additional time out and travelling.
